

MEN'S ANTI-WRINKLE TREATMENTS

- Frown lines — Soften the “11” between brows.
- Crow's feet — Smooth eye lines for a fresher look.
- Forehead — Reduce lines, keep natural movement.
- Brow lift — Subtle lift for more open eyes.
- Sweat reduction (underarms) — Stay dry and confident daily.
- Facial slimming — Sharpen jawline and ease tension.
- Neck (Nefertiti Lift) — Define jaw and lift lower face.

It's about confidence, not
changing who you are
